

## Desert Hawk XIV Encampment

Parents and Cadets,

**We are now accepting applications for Desert Hawk XIV Encampment.**

The Civil Air Patrol encampment is a truly unique opportunity and is usually the first major activity a cadet attends. Encampments teach cadets basic military drill, teamwork, and knowledge of the other areas that cadets can get involved in during their cadet career. Over the course of a week, new cadets are introduced to a variety of mental and physical challenges designed to build and enforce the Civil Air Patrol Core Values: Integrity, Volunteer Service, Excellence, and Respect. Some of the activities that we have planned for Desert Hawk XIV are orientation flights, rifle shooting, rock wall, water survival skills, volleyball, and much more.
